

The latest products for farriers...designed to save time and improve shoeing.

Fly and Insect Control

**ESPREE ANIMAL PRODUCTS ALOE HERBAL HORSE SPRAY**

- The only natural, non-Pyrethrin based, EPA-registered fly spray on the market
- Available in concentrate, ready-to-use or roll-on
- Natural and safe blend of natural oils, cedar, eucalyptus and citronella in a mineral oil base with no toxic chemicals
- Contains sunscreen and coat conditioners
- Endures sweat and does not attract dust

Select No. 874 on Reader Service Card or [www.americanfarriers.com/ff/products](http://www.americanfarriers.com/ff/products)

**HORSE PAL BITING FLY TRAP**

- Designed specifically for horse, deer and yellow family of flies, which are not controlled by chemical baits or sprays
- Trap requires no smelly or messy baits
- Easy care — occasionally remove capture bottle and dispose of the dry, dead flies

Select No. 876 on Reader Service Card or [www.americanfarriers.com/ff/products](http://www.americanfarriers.com/ff/products)

**HORSEFLYNET, LLC HORSE FLY NETS**

- Easy to install with brass grommets
- Reduce ultraviolet sun rays by 80%
- See-through polyester with vinyl coating and no other chemicals added
- Available in custom sizes
- Rain and rot resistant

Select No. 877 on Reader Service Card or [www.americanfarriers.com/ff/products](http://www.americanfarriers.com/ff/products)

**GREENWOOD EQUINE EQUIPMENT AUTOMATIC FLY SPRAY SYSTEM**

- Controls flies, mosquitoes and crawling insects in horse barns, backyards and patios
- Effective, affordable and easily installed
- Customized quotes based on individual customer needs

**NATURES BALANCE CARE BARE SKIN BARRIER**

- Stops biting flies from chest to tail
- Protects open sores and wounds from fly and insect infestation
- Stops mane and tail itch
- Approved by Organic Materials Review Institute and is safe for lactating mares

Select No. 879 on Reader Service Card or [www.americanfarriers.com/ff/products](http://www.americanfarriers.com/ff/products)

**HORSEWARE WATERPROOF FLYSHEET LINER**

- Designed for Horseware product range, the liner attaches to the neck loop and extra D-ring on Horseware flysheets and is suspended from the outer flysheet and will not slip
- Waterproof nylon outer is breathable and reflects sunlight with an absorbent layer in the middle to help transfer moisture away from the horse
- Shallow depth helps air circulate, keeping the horse cool
- Super smooth nylon lining polishes horse's coat and prevents rubbing

Select No. 880 on Reader Service Card or [www.americanfarriers.com/ff/products](http://www.americanfarriers.com/ff/products)

**AUTO MIST INSECT CONTROL SYSTEM**

- Used effectively in thousands of stables
- Automatic operation
- Safe and effective
- Easy to install in new or existing stables

Select No. 875 on Reader Service Card or [www.americanfarriers.com/ff/products](http://www.americanfarriers.com/ff/products)
