NEWLY FORMULATED – LONG LASTING
BOTANICAL INSECT LOTION
By Nature's Balance Care, LLC

Nature's Balance Care introduces the Newly Formulated, Longer Lasting **BOTANICAL INSECT LOTION** that has been field tested in the **National Forest of the Pacific NW**. Where mosquitoes are huge and biting flies thrive ***Nature's Balance Care*** **BOTANICAL INSECT LOTION** is a blend of natural oils Lemongrass, Peppermint, Citronella and Geranium that are known to be repugnant to insects, synergistically blended in skin soothing Aloe Vera gel creating a rich, effective lotion without sticky or greasy residue. No DEET, Resmethrin or Neuro-Toxic chemicals the **BOTANICAL INSECT LOTION** is safe enough to eat and won't contaminate your food or create an awful taste in your mouth. Safe for children yet strong enough for adults.
