Nature's Balance  
OMRI® Listed Groomer Concentrate has  
BROAD Applications for Dogs & Horses

Nature's Balance **Groomer Concentrate** is a unique broad spectrum product that can be used as a preventative Dip, Skin Scrub, and All-Over-Wipe for conditions ranging from Fleas, Ticks and Flies to Hot Spots, Rain Rot, Sweet Itch (summer itch) and Mange. With an OMRI® listing (Organic Materials Review Institute) the **Groomer Concentrate** is also used by certified farmers, ranchers and dairies along with dog and horse owners alike. The **Groomer Concentrate** comes in three sizes from a 1 oz. concentrate that makes up to 2 gallons with a suggested retail of \$24.95, a 4 oz concentrate with a suggested retail of \$39.95 and a 16 oz. concentrate for \$84.95.

Samples of the Groomer Concentrate 1 oz are available upon request. For high resolution pictures contact Nature's Balance Care at 866-821-0374. For detailed product and company information visit [www.NaturesBalanceCare.com](http://www.NaturesBalanceCare.com).
