## INSECT KIT FOR HORSES

**Nature's Balance Care™** introduces the only **INSECT KIT for HORSES**. The **KIT** contains a Horse Journals Best Choice March 09 issue **BARE SKIN BARRIER**, **GROOMER FLY SPRAY**, and **FACE & BODY FORMULA**. All you need for fly control in one *ready for the barn* tote drawstring bag.

- The **FACE & BODY FORMULA** is a non-greasy non sticky non-staining gel lotion that provides insect control from face to legs, ears & chest and **DOES NOT ATTRACT DUST**. The **FACE & BODY FORMULA** does not contain neuro-toxic chemicals, insecticides, pesticides, Pyrethrum or DEET. Safe for lactating mares too.
- **BARE SKIN BARRIER** is the only OMRI® listed fly & insect control product on the market today that does not contain Pyrethrum, Permethrin or neuro-toxic chemicals. Protects Open Sores & Wounds while stimulating healing, relieves scabby insect skin conditions, and relieves ear plaque. Also safe for lactating mares.
- **GROOMER FLY SPRAY** is for all over insect relief formulated with **Nature's Balance Care** OMRI® listed **Groomer Concentrate**.

**Nature's Balance Care** products are **Safe around children and the planet**, are manufactured in the USA and have OMRI® listing for flea, fly, tick, mosquito and insect control along with skin care for Horses, Dogs, Livestock and People.
